

Help us create a Hospice Mascot!

Design a character that shows kindness and care.

We are inviting children aged 16 and under to help us create a special Hospice mascot, a friendly character that represents kindness, comfort and support.

Your design could be an animal, a magical creature, a superhero, or something completely unique – there are no rules, other than it must be hand-drawn (no AI-generated images).

**Just be as
creative as
you like!**

**Draw your
mascot here!**
